REMARKS

By Office Action mailed October 18, 2007 the Examiner allowed claims 1-4 and 7-10. Claims 11 through 15 stand rejected under §102(b). Claims 5-6 and 16 through 19 were previously withdrawn consequent to a requirement for election.

In order to conclude prosecution, Applicants herewith cancel, without prejudice to separate prosecution, claims 5-6 and 11 through 19, inclusive. Claim 9 was amended to correct informality by deleting the degree symbol which is not used for Kelvin (K) temperature scale.

The consideration of this Amendment and entry of it after final office action is therefore respectfully solicited.

Respectfully submitted,
